

### **About Google Translate**

Translations of pages on the Adiuware website are performed by Google™ Translate, a third-party service over which Adiuware has no control. Google™ Translate is a free online language translation service that can translate text and web pages into different languages. Computerized translations are only an approximation of the website's original content. The translation should not be considered exact and in some cases may include incorrect, incomplete or offensive language. Adiuware does not warrant the accuracy, reliability or timeliness of any information translated by Google™ Translate. In addition, some applications, files or items cannot be translated, including but not limited to graphs, photos, drop-down menus or portable document formats (pdfs).

Please be aware that when a translation is requested, you will leave the Adiuware website. Adiuware does not endorse the use of Google™ Translate and there are other translation services may also be used to view our site. Any person or entities that obtain or rely upon information obtained from the Google™ Translate service does so at his or her own risk. When a translation is complete, you assume the risk of any inaccuracies, errors or other problems encountered. Adiuware is not responsible for any liability, damage or issues that may possibly result from using Google™ Translate.
